

# Neighborhood Houses

The Presbyterian Women's Mission Giving Sub-Committee supports a number of active neighborhood houses, which aid low-income and needy residents of their communities.

- **Association House** provides education and job training programs, including Head Start and an alternative high school program, in the West Town area of Chicago. Serves 1,500 persons daily in this predominantly Latino community.
- **Christopher House** offers childcare, after school activities and family programs to residents of Chicago's north side. Christopher House serves more than 3,000 children and families a year.
- **Erie House** provides social service and educational programs to more than 7,900 residents of the West Town community of Chicago.
- **Onward Neighborhood House** provides tutoring for school aged children, as well as employment assistance and emergency services; located in Chicago.
